LETTER

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

September 24, 2004

Sir:

Applicant submits that a Supplemental Amendment is being filed concurrently herewith.

Applicant respectfully requests Non-entry of the Reply Under 37 C.F.R. § 1.111 filed on September 2, 2004, as inadvertent errors were found in the Reply.

The Reply of September 2, 2004 and this Supplemental Amendment being submitted concurrently herewith are both deemed to be fully responsive to the Office Action of June 3, 2004. This Supplemental Amendment, however, corrects three errors in the Reply Under 37 C.F.R. § 1.111 filed on September 2, 2004, as detailed below.

- 1) In claim 11, the identifier was inadvertently labeled as "(Original)", but should read as --(Currently Amended)-- as there were amendments made in this claim.
- 2) In claim 16, a very minor amendment deleting the word "and" was inadvertently made to the claim, but now Applicant wishes to correct this and keep the word "and" in the sentence.
- 3) In claim 30, the phrase "wherein said program information index is different from said various information tables" has been deleted from Claim 30 because this language has already been recited in the claim. In other words, the second recitation of this language is considered redundant and unnecessary.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees
